Dear Mayor Schomisch,

I hope you're doing well. We were assigned to the **Landover Hills - Community Engagement Survey** by Professor Andrew Fellows. I want to discuss our project and schedule a meeting to make sure our team aligns with your expectations and next steps.

Proposed Meeting Agenda:

- Review the project scope and objectives
- Confirm key deliverables and timelines
- Discuss survey design and distribution strategy
- Address any questions or clarifications

Could you please let us know your availability for a meeting? We are happy to accommodate your schedule and can provide a few time options if needed.

Looking forward to your response and working together on this initiative.

Best regards,
Joshua Choi

I am available tomorrow all day (Feb. 28) as well as Monday and Tuesday - except for between 12:30 and 1:30 p.m. on Monday.
Unfortunately, I will be at a conference Wednesday-Friday next week and unavailable.
I have added Town Manager Rommel Pazmino to this conversation as he will also be involved in the project.
Thanks
Jeff
